

108 Vision — Design System

Versione 1.0 | Giugno 2026 Questo documento definisce il linguaggio visivo uniforme per tutti i touchpoint 108 Vision: sito web, dashboard, documenti, presentazioni, social.

1. Logo

Concept

Il logo combina tre elementi simbolici:

- "1" — direzione, leadership, primo passo
- "0" — cerchio aperto (enso zen), completezza senza chiusura, apertura al cambiamento
- "8" / lemniscate — infinito, iterazione continua, visione senza limite

Il lemniscate (8/infinito) è in violet — l'unico elemento di colore nel logo, rappresenta la visione.

Varianti

Variante	File	Uso
Full (orizzontale)	logo/108vision-logo-full.svg	Header sito, documenti, slide
Full white	logo/108vision-logo-white.svg	Su sfondi scuri
Mark (quadrato)	logo/108vision-logo-mark.svg	Favicon, avatar, icona app

Clear space

Minimo clear space = altezza della "1" su tutti i lati. Nessun elemento deve invadere questo spazio.

Dimensioni minime

- Full: min 120px larghezza (web), 30mm (print)
- Mark: min 24px (web), 8mm (print)

Don't

- Non distorcere le proporzioni
- Non cambiare i colori del lemniscate
- Non aggiungere ombre o effetti
- Non mettere il logo su sfondi che riducono il contrasto sotto 4.5:1

2. Palette Colori

Filosofia

Palette dark-first, minimale, con un unico accent viola che richiama il lemniscate del logo. Professionale senza essere corporate. Moderno senza essere trendy.
